## EXPERIENCE

### freelance - graphic designer

2017 - present

4 years experience in mix media design for numerous clients. Among my clients: Tel-Aviv municipality, CAR2GO, Foody Israel Israel's parliament, etc.

### Graphic designer - The League studio

2019 - 2020

Leading studio of branding and design that specializes in the field of culture. During this period, I managed multiple projects & works directly with clients such as: TLV municipality, America-Israel Cultural Foundation, etc.

### Graphic designer - Relevant design

2018 - 2018

During my senior year, I was an intern in Relevant design studio. As part of the role, I was involved in the ongoing design process of the studio, as well as creating and designing image-making and digital campaigns.

### Motion designer - Eitan Cabel

2017 - 2018

Motion design and editing for an internet broadcast strip that reflects the work of the Knesset Member for the public. As part of the job, I worked with speakers of the KM, working on designing and organizing content and animating videos for social media.

### Shift manager - Eventim Israel

2014 - 2017

As a shift manager at events distribution company, I was responsible for operating and managing employees and customer service at concerts and festivals across the country, while standing under pressure of thousands of customers.
